## **Standing Committee Reports:**

### **Archery, Trap & Skeet Ted Pitt:**

We had a successful Continental warm up shoot, with almost 12 full squads. No breakdowns or problems (other than some microphone problems). Everything went smooth. Turned in \$1115 to the club. We were finished shooting and cleaned up by 2:00.

**Civilian Marksmanship Program (CMP), Bob Hull:**

The first CMP match of the year is Saturday, January 26th. We meet at the rifle range at 8:45am. We shoot military rifles with iron sights. The course of fire is 88-rounds of ammunition. We will be shooting from offhand, sitting and prone positions. At least two magazines are needed for the rapid fire sitting and rapid fire prone segments as they require a reload during those timed strings of fire. The cost is \$7.00 for club members and \$10 for non-club members.

Club rifles can be used by club members only. Club ammo must be used at a cost of \$88 and the borrower must stay after the match to clean the rifle.

**Cowboy, Brian Howard:**

Our activities in December included the Cowboy matches on 1-2, in which we had 48 competitors and turned in \$430 to the club. On December 15, we had a Cowboy Long Range match, in which six competitors vied for honors, and turned in \$30 to the club. On December 29-30 we had a special Plainsman Match, with 11 shooters and receipts to the club of \$170.00.

At our match(s) on January 5 & 6, we had 29 shooters on Saturday and 23 on Sunday. John Sandefur and Kathy Loucks (Johnny Pinebox and May B Shecann) put on the match and did a superb job! The stages were based on the last SASS National Championship, a match they call Winter Range, and gave those of us who are going to this year's event a taste of what to expect. We turned in \$417.00 to the club after all comps and expenses had been paid. No blood in the dirt, and a grand time had by all.

Traditional classes in late spring and summer.

On line early spring, late summer, early Fall.

I'll request specific dates when I confirm instructor availability.

### **Grounds, LaMarr Hood:**

We were able to disassemble the theater seats, but haven't been able to haul the metal away yet. Some of the crew have been keeping up with target backers

### **IDPA, Scott Johnson:**

It was a cold day with a few early snow flurries, 55 hearty participants turned out, we shot 7 stages and were cleaned up by early afternoon. After expenses of \$32, we turned in \$488 to the club.

Our next Regular Match will be on Saturday January 19th.

We did our second of the Season "Safety Officer Night Shoot" on December 8th. About 12 folks turned out for a safe night. We utilized 3 bays & wrapped up the evening before 8 PM.

Our next night shoot will be Saturday January 12th.

WASIDPAC 2013 (Washington State International Defensive Pistol Association Championship). We would like to do a 2 day match August 17th & 18th. We request use of the Action Bays Monday (12th) - Sunday (18th) & Pistol, Rifle & Skeet Ranges Thursday (15th) - Sunday (18th), for setup and shooting. It would be good if the trap range was not shooting at us.
